MONDAY SEPTEMBER 9 1912

RAILROAD RATES TO ATHABASCA

Some part of the rest of the opening of rail connection to Athabasca by the C. N. will be realized by a comparison of the freight rates now prevailing by rail as compared with those hitherto prevailing by team. The rail rate on four hundredweight eighth class freight is 12c per hundred pounds in horse, canned goods, sugar, nails and other fifth class freight, the rate is 20c per hundred pounds. By team the rate from Edmonton to Athabasca varied from 75c to \$1.25 per hundred pounds on ordinary freight, with great possibility of damage in transit, and the further possibility that it would be too cumbersome of the road or of teams to haul it, it was not possible to get the freight forward at any price. The difficulty of handling boats or other extra bulk and heavy freight teams, were considerably greater than in the case of ordinary freight. In the case of the rate was arbitrary and was governed by the conditions of the moment. In rail rates and like articles six classes freight and the rate is 18c per hundred.

The rates given above are local. Whenever the charge from Edmonton to Athabasca is on a through shipment, the rates will be lower still. At present about fifteen cars of freight are taken on each mixed train, or 45 cars at week, besides a baggage, express and two passenger cars. Delays in loading a car load at 40,000 pounds and striking an average of 26c per hundred weight, as against \$1 per hundred, the saving is in the difference between the saving in the difference between the \$400 on each car load, or the difference between \$18,000 and \$3,600 on a week's deliveries, or \$14,400 a week to be taken from the road, which will add to the cost of the road, and will be added to the profits of the southern dealer, or to be divided more or less equitably between them. At any rate it cuts away to that extent what has hitherto been a necessary impediment to the development of the north country.

WHAT WAR WOULD MEAN

(From The Nation, London, England.)

Professional experts and the political opinion of the world outside, we are again deeply interested a considerable body of British opinion with the idea that an Anglo-German conflict is inevitable, and that the war will be most disastrous for us from being profitably engaged in it.

What would happen if Britain, after losing a war, had to pay the costs of the war, and the expenses of maintaining a large army?

COSTING MAN MILITARY

Was not on Saturday, but a few days ago he stated that the company was going to make a proposal to the government which would permit some important advancement to the position of the company.

H. K. King, of the London and Vancouver Trust Company, the president of the company, said: "We have completed the financial arrangements for the road, which will cost many millions of dollars, and we are now proceeding to build a warehouse and establish a branch of their wholesale department in the city of Vancouver, which will enable us to compete with a factory." Work on the warehouse will probably start this fall.

Mr. King stated at a meeting of his officers Saturday to make some enquiries concerning the market.

The National Dryg and Chemical company is one of the oldest engaged in the manufacture of medicines.

ENGLISH FARM COMPANIES FACTORY

Project at the corner of Fourth street and Churchill Avenue has been sold to Mr. George A. Gibbs, of the Chemical company of Montreal, Canada, for the purpose of erecting a new plant for the manufacture of paint.

It is not known when the project will be undertaken.

Mr. Gibbs is a native of England, and has been in Canada for over twenty years.

He is the managing director of the company in London before sending him to Canada.

Mr. Gibbs himself has spent two years in the north country and is in a position to know all the requirements of western cities during the past two years.

He has been in the business in this country for a number of years.

He is the managing director of the company in London before sending him to Canada.

FINAL GAMES OF TOURNEY WERE PLAYED SATURDAY

South Side Players Carry Off Most of the Honors—Messrs. Kinnear and Hay Are Very Successful—Mr. Dyde Was Unable to Play Owing to Illness.

The South Side Tennis club carried off the honors in the annual tennis tournament that was wound up yesterday.

Mr. Dyde did particularly well, winning the open handicap singles last Tuesday, and again on Saturday, when he was only won after each team had been defeated. Mrs. Talvour and Mrs. Gibson were the winners of the women's doubles, while Mr. and Mrs. Strathcona were scheduled to play off as the final game, but the weather made it impossible for them to do so, and the game was put off until next Saturday. The other results for this event are: Kinnear and Hay, 1st; Nettleton and Nettleton, 1st-6, 2nd-4, 4th-6.

In the open doubles last week Kinnear and Nettleton easily defeated Dicksie and Bolton. This match will show four stiff sets and as the scores will show, the teams nearly won out—Kinnear and

Hay beat Dicksie and Bolton, 6-2, 2-6, 6-2, 6-2.

The ladies' handicap doubles, the finale of which were played on Saturday, was only won after each team had been defeated. Mrs. Talvour and Mrs. Gibson were the winners of the women's doubles, while Mr. and Mrs. Strathcona were scheduled to play off as the final game, but the weather made it impossible for them to do so, and the game was put off until next Saturday. The other results for this event are: Kinnear and Hay, 1st; Nettleton and Nettleton, 1st-6, 2nd-4, 4th-6.

In the open doubles last week Kinnear and Nettleton easily defeated Dicksie and Bolton. This match will show four stiff sets and as the scores will show, the teams nearly won out—Kinnear and

GRAYS DIVIDE FINAL GAMES WITH BUCKS

Baseball Season Came To An End
After Two Exciting Games.

HEAVY HITTING WAS A FEATURE

Heavy Slugging of Both Teams
Fattened Their Batting
Averages.

The baseball season came in an end Saturday afternoon, when the Edmonton team divided the double-header with the visiting Grays. The Grays won the first game by a score of 12 to 6 and the second game by 10 to 4. The first game was a good, interesting one both ways, despite the heavy hitting of both teams.

The feature of the afternoon game was the heavy hitting of the Grays. For the whole season, the Grays were the best hitting team in the league. Whisman, Chapman, and Hickey were the best Ford three-singlet pitchers. Dudley and Tanguay were the best two hits. The Grays will have to be two hits, while the heavy hitters, Brereton, Kennedy, and Tanguay, were the best.

In the second game the teams fatigued up their hitting averages slugging the ball to all corners of the field. Whisman, Chapman, and Hickey were the best Ford three-singlet pitchers. Dudley and Tanguay were the best two hits. The Grays will have to be two hits, while the heavy hitters, Brereton, Kennedy, and Tanguay, were the best.

The box scores are as follows:

Edmonton

Edmonton Daily Bulletin.

AROUND THE CITY

LOCAL

The First Presbyterian Church has been organized as superintendent of the recently formed Sunday school on Ross Plaza.

The usual monthly meeting of the Order of the Eastern Star will be held on Saturday and unanimously elected A. G. Braden as secretary of the local union in place of R. Guy Detton, who has resigned.

The death took place on Saturday of Miss Ethel Fletcher, aged 22, the daughter of Mr. and Mrs. J. H. Fletcher, who will take place this afternoon at 3 o'clock from her late residence 150 Bellamy street to the Edmonton Crematorium.

A valuable greyhound was run over by a street car at the corner of Seventh and Jasper yesterday. The animal's feet were cut off. As the owner was not at sight at the time the animal was taken to the hospital.

The funeral of the late John Keltner, the young man who was accidentally shot at Fraser's Plaza on Friday from McClelland and Lambert's undertaking parlors to the mortuary of the family of the deceased. The service took place on Monday, when a column of Queen will be present.

Goldschmidt & Johnsons, Athabasca, have laid a mile and a half of first class gravel on the north side of the Athabasca river. They are taking stone from the south side of the river and shipping it over the C. N. R. line. The difficulty and cost of getting the gravel across the river makes the rail road the only impediment.

Bernard C. P. Brown appeared before Magistrate McLean and charged with driving his car without leave from M. S. Rainey. The young man was remanded to the custody of the Mounties Police to await escort. Commander Walter Rose is the complainant. E. George Young had two cases of false pretences and remained until Sept. 20th.

LECTURE THIS EVENING.

A lecture will be delivered in the First Presbyterian church this evening on "The Scottish Covenanters." Dr. T. G. Farr, B. D., of Glasgow, Scotland, Mr. Farr is on a lecturing tour through Canada and will speak at the First Presbyterian Church in Edmonton. In his itinerary as he is sailing to the west coast, he will call at Vancouver, Victoria, and Seattle.

An excellent program will be offered, and will make his debut to an Edmonton audience, and favorite Mr. Tomkinson, Glasgow Corporation organist, another recent acquisition to the church's musical circle, will give a most attractive tourist trip.

MONUMENT HEDREN TRIP.
The Edmonton Hebrew school was incorporated May 1st, 1912. The number of pupils at the commencement was very small, but it is now increasing rapidly. The average era attendance being 100 per cent, and with its natural increase, the future financial condition of the school will take an important place amongst the educational institutions of the city.

The most prominent members of the Jewish fraternity are taking an active interest in the school, and they have engaged as teacher Mr. Maklin, a well known Hebrew teacher, who has taught in the city, and are more than satisfied with the results of his labors during the short time he has been here.

Commencing on October 1st, there will be three classes daily after school hours, and the public school will have to share its facilities.

It is hoped that the provincial government will find considerable difficulty in filling the position. Not only will the school be popular, when he looks favorably upon the ministry owing to the smallness of the number of pupils, but the salary is \$1,000. Those who are familiar with the work required of a teacher in the Hebrew language will appreciate the fact that the salary should be at least \$4,000. It is rumored that a Massey student has accepted the position and will likely accept the appointment.

C. N. R. PROGRESS.

The whole of the uncompleted portions of the C. N. R. line between Edmonton and the coast are now under contract. The thirty-five miles of the line between Edmonton and the Thompson river have been let to a few of Vancouver contractors who have just started work on the line. The line along the Fraser, and are now moving their outfit to the Tete Jaune Cache.

They are running on the main line from Port Mann to Yale, and grading is completed for forty miles beyond Yale, and will be advanced all the way to Ashcroft.

Some heavy bridges have to be put in, and the line will be open between Ashcroft and Yale, but it is expected that grading will be sufficient to admit light traffic.

The line will be built to Kamloops to admit of track laying both east and west, before the close of the year.

With the completion of the line, the C. N. R. will be in a position to compete with the G. T. F. and the latter has one or two short number grades.

Turkey in More Trouble.

London, Sept. 7.—The Daily Mail's special correspondent represents that the National and Liberal parties are being opposed to a war with Turkey, if it is possible, in the conviction that it will be disastrous. The former will not go to war unless it affords freedom to Macedonia, as Turkey will never do so except under compulsion. The latter party, however, believes that either must enforce their will on Turkey or allow Bulgaria to execute it for them.

FINE WEATHER BRINGS JOY TO THE FARMERS

With Continued Weather for Next Week—Farmers in Prairie Advanced in Manitoba, Where Threshing Commenced.

The fine weather of the past three days and the indications that it will continue is bringing joy to the hearts of all in other parts of the west. Several weeks of settled weather will see the grain harvested and threshed, and the wheat and barley will be harvested and threshed.

The fine weather of the past three days and the indications that it will continue is bringing joy to the hearts of all in other parts of the west. Several weeks of settled weather will see the grain harvested and threshed, and the wheat and barley will be harvested and threshed.

Among the others in Canada that are looking forward to the arrival of the fine weather is Manitoba, where the grain is now beyond the stage where it can be injured by anything but severe cold.

Edmonton people are particularly pleased over the G. T. F. line, where the grain is now 70 per cent and 80 per cent of the grain is in stock in Manitoba, between 70 and 80 per cent of the grain is in stock in Alberta.

In some parts of Manitoba harvest has already started and it will be completed in a few days.

The fine weather continues and we are looking forward to the arrival of the fine weather.

Auto Was Damaged.

While automobile along Namayo avenue last night about 12 o'clock S. Franklin met with an accident with his car.

The accident occurred just south of Clark street and south of 10th street, and the west end of the sidewalk. Mudguard, lights and wheels all suffered in the collision.

After dinner at Senator Leopold's home the Duchess and the Princesses were riding on the road to Edmonton to leave the train at Cochrane today, and in the evening and visit Edinburgh and Teles Jardim Cache, and are in Edmonton to attend the opening of the round trip occupying thirty hours. There is a first class steamer boat to Teles Jardim Cache, and the Princesses will be entertained by the Duke and Duchess.

The time gives a day's sight view of the pass all the way from the head of the lake to the head of the river.

The Duke and the Princesses will be entertained by the Duke and the Princesses.

ACROSS THE MOUNTAIN BY G.T.F.

The new G. T. F. service due to Edinburgh makes close connection at that point with a new construction of the Teles Jardim Cache line, which is possible to leave Edmonton in the evening and visit Edinburgh and Teles Jardim Cache, and are in Edmonton to attend the opening of the round trip occupying thirty hours.

There is a first class steamer boat to Teles Jardim Cache, and the Princesses will be entertained by the Duke and the Princesses.

The time gives a day's sight view of the pass all the way from the head of the lake to the head of the river.

seeing the final performances in the arena. They saw the Mexican Cleto win the world's championship for "half-mast." His time was 7 minutes and 45 seconds, and he left the scratch. In that time he rode about seventy-five yards before catching his saddle on to the steer's back, caught the horns, threw his right leg over the neck, and with a single bound the animal in almost a complete somersault, avoiding by mere inches the sharp horns of the steer.

Among the others in Canada that are looking forward to the arrival of the fine weather is Manitoba, where the grain is now beyond the stage where it can be injured by anything but severe cold.

Edmonton people are particularly pleased over the G. T. F. line, where the grain is now 70 per cent and 80 per cent of the grain is in stock in Manitoba, between 70 and 80 per cent of the grain is in stock in Alberta.

In some parts of Manitoba harvest has already started and it will be completed in a few days.

The fine weather continues and we are looking forward to the arrival of the fine weather.

RODNEY FOLK ON THE ROAD.

The Duke and the Princesses from the Blood Reservation, rode Cyclone, the famous outlaw horse from Oklahoma, who has won the hearts of all who have seen him, and has a record of having thrown a hundred and twenty-nine different men off his back since he was born. The Duke and the Princesses were riding on the road to Teles Jardim Cache, and are in Edmonton to attend the opening of the round trip occupying thirty hours.

There is a first class steamer boat to Teles Jardim Cache, and the Princesses will be entertained by the Duke and the Princesses.

The time gives a day's sight view of the pass all the way from the head of the lake to the head of the river.

The Duke and the Princesses will be entertained by the Duke and the Princesses.

and will be called to offer the services of the ministerial herald to the four persons who were in the Smith machine. Mrs. Smith, wife of the car owner, and Mrs. Mary Griffin, mother of the girl victim, were badly injured.

Alfred Russell, 11 years old, was killed here yesterday when he was struck by an automobile operated by Thomas.

ACCIDENTS.

Calgary, Sept. 7.—A girl, 16, was killed and three others seriously hurt near here tonight when an automobile ran over them.

The driver of the car, a boy of 18, was driving his car into from Ponoka this morning and sustained a fractured skull and a broken arm.

Albert Russell, 11 years old, was killed here yesterday when he was struck by an automobile operated by Thomas.

ACCIDENTS.

Glenbow, N. Y., Sept. 7.—While driving a car from Ponoka this morning and in attempting to make a reverse turn, the car hit a woman who was walking across the street.

The woman, Mrs. Mary Griffin, was instantly killed and her wife, Mrs. Mary Smith, was severely injured.

Both women were admitted to the hospital.

ACCIDENTS.

Calgary, Sept. 7.—Thirty-five people were injured, five of them fatally, when a truck, driven by a man with a trailer attached, crashed into a brewery truck at 12:15, four miles west of the city.

The cars were crowded with a party going to a clam bake.

ACCIDENTS.

Toronto, Sept. 7.—Robert Cumberland, aged 17, was drowned yesterday afternoon in the Don River, opposite the Don Mills bridge.

He was last seen about four and five o'clock when the craft upset. The body has not yet been recovered.

FAILS TO PRELUCE PREACHERS.

Methodist General Conference Faces Difficult Decision of Whether to Go to the West.

Toronto, Sept. 7.—The Methodist general conference officers have had a crisis precipitated upon them by a

cablegram from England from Rev. P. H. Constable, Secy. S. P. Presbyterian. Mr. Constable said early this morning while returning from the theological college because the supply of preachers to fill up the shortage in Canada has vanished.

Mr. Woodworth was sent to England to recruit from the theological colleges because the supply of preachers to fill up the shortage in Canada has vanished.

The supply of preachers to fill up the shortage in Canada has vanished.

Mr. Woodworth has hardly been able to secure a score.

He is now on his homeward way with his little band.

TRAFFIC ON LADING LINE.

The traffic on the lading line, also the opening of the service to Athabasca, left Edmonton Saturday morning bound well filled.

The train is composed of three flat cars, 120' long, 14' wide, 8' high, 145 passengers have traveled with the train each trip, and the service is 12 hours and 55 minutes, leaving Edmonton at 4 p.m. and arriving at Athabasca at 9 p.m.

Since the service started, since the lading line was opened, the traffic has increased steadily, and the service has been extended to the 12th of October.

THE FIRE ALARM.

Owing to the high state of the roads the stands on Rice street market filled rather slowly Saturday. A number of people, however, turned out on view and for these \$200 to \$225 per person were charged.

There was a fair supply of chit-chat, and the girls were dressed in a variety of ways.

After dinner at Senator Leopold's home the Duchess and the Princesses were riding on the road to Teles Jardim Cache, and are in Edmonton to attend the opening of the round trip occupying thirty hours.

There is a first class steamer boat to Teles Jardim Cache, and the Princesses will be entertained by the Duke and the Princesses.
